SUMMARY

Versatile and highly motivated individual, known for quick learning, adaptability, and strong interpersonal skills. Consistently meets deadlines and exceeds expectations in independent or team-focused tasks. Dedicated to leveraging a proactive mindset and fresh perspectives to support organizational objectives and drive success.

PROFESSIONAL EXPERIENCE

Kodnest Technologies

Bengaluru, Karnataka, India

Software Development Intern

01 Jan 2025 - 01 Mar 2025

- Interned at KodNest, actively contributing to the development of Java-based applications, executing MySQL database operations, and utilizing HTML, CSS, and JavaScript for front-end tasks. Participated in manual testing, learned software development lifecycle fundamentals, and improved teamwork by working closely with experienced professionals.

PROJECT EXPERIENCE

- CareerNova**
 - Developed an AI-driven resume analyzer with Gemini Flash AI, featuring ATS compatibility, keyword optimization, and automated skill-gap insights. Delivered 85% scoring accuracy and 90% parsing efficiency, cutting resume review time by 70%. Earned selection as a Top 10 finalist in the Google Cloud Gen AI Hackathon finale.
- Koujou AI — Personal AI Knowledge Assistant**
 - Built an AI-driven knowledge assistant utilizing Retrieval-Augmented Generation, vector database technology, and large language models for precise, context-aware document access and conversational interaction. Improved retrieval accuracy to 92% and minimized information search time by 80% through implementation of semantic search and integrated intelligent chat features.
